SMC-150/SMC-152F
15" FLAT SCREEN COLOR MONITOR

SUMMARY

SMC-150/152F is a 15" color monitor housed in a metal case featuring looping video and audio circuits. This color monitor features a metal case, sturdy construction and is designed and built as a security monitor. With 400 lines of resolution, this monitor delivers high quality video images in a compact 15"Flat format. SMC-150/152F is equipped with a worldwide compatible power supply (both NTSC and PAL). Automatic 75 Ohms terminations and on screen display-programming make this monitor an ideal choice for system integration and other viewing environments. SMC monitor series are world renowned for the high quality video image.

FEATURES

• 15" Flat CRT
• 400 TV lines of horizontal resolution
• NTSC/PAL Multiple system
• Automatic 75 ohm termination
• Worldwide multiple system (NTSC/PAL)
• **SMC-150F**: Selectable looping video inputs (2 BNC, 1 VCR)
• **SMC-152F**: 4 Video inputs, no looping
• **SMC-152F**: Auto sequential switching function
• **SMC-152F**:Auto skip and time adjustment
• Maximum 1.5W speaker output
• Metal cabinet

SPECIFICATIONS

Picture Tube: 38cm(15"), 0.60mm Stripe type, In line gun, 90°Deflection
Video
   SMC-150F:
     Input: 2 BNC, 1 Vp-p
     Output: 2 BNC, 75 ohm
   SMC-152F:
     Input: 4 BNC, 1 Vp-p
     Output: 1 BNC, 75 ohm
Audio
   SMC-150F:
     Input: 2 RCA, Line level 500mV, 47Kohm(Hi-Impedance)
     Output: 2 RCA
   SMC-152F:
     Input: 4 RCA, Line level 500mV, 47Kohm(Hi-Impedance)
     Output: 1 RCA
Control front: Volume Up/Down, Contrast, Bright, Color, Tint, Sharp, Input select
Connection rear: Video A, B(2CH Composite), VCR(1CH); Audio A, B(2CH), VCR(1CH)
Stabilization
   Horizontal: Pull in range ±500Hz; Holding range ±600Hz
   Vertical: Pull in range ±4Hz; Holding range ±4Hz
   Sub carrier: Pull in range ±400Hz; Holding range ±500Hz
Convergence: 0.4mm Max (Center)
Operating Temperature: -10° ~ +50°C
Operating Humidity: 10% ~90%
Power Source: 120VAC, 60Hz 230VAC, 50Hz (Rating voltage); 90 TO 260VAC (Voltage range)
Power Consumption: Approx. 63W
Dimension(W x H x D): 365 x 341 x 391(mm)
Weight: Approx. 13Kg(with packing)
